Profile

Motivated IT undergraduate with strong academic and project experience in software development, mobile application development, and system design. Experienced in full-stack development, Flutter mobile apps, and backend technologies. Passionate about building practical, user-focused solutions and eager to gain industry exposure through internships and entry-level opportunities.

Education

Institute of Technology, University of Moratuwa

National Diploma in Technology (Information Technology)

2023 – Present

Technical Skills

- **Programming Languages:** Java, Dart, Python, JavaScript
- **Mobile Development:** Flutter
- **Web Technologies:** HTML, CSS, React.js
- **Backend & Frameworks:** Spring Boot, Node.js
- **Databases:** MySQL, MongoDB
- **Tools & Platforms:** Git, GitHub, REST APIs, Android Studio
- **Other Areas:** Software Design Patterns, Basic AI & ML Concepts

Projects

Bloom Care+ – Maternal & Baby Care Management System | *GitHub*

- Developed a digital healthcare system to support maternal and child health services.
- Designed backend services and mobile application features for record management and notifications.

JobFinder – Part-Time Job Platform for University Students | *GitHub*

- Built a web platform for students to find part-time jobs based on location and category.

- Implemented user registration, filtering, and secure data handling.

Arduino-Based Automatic Night Light

- Designed and implemented an IoT mini project using sensors and Arduino.
- Prepared full documentation and testing reports.

Other Academic & Mini Projects

- Applied software design patterns and database concepts in multiple coursework projects.
-

Soft Skills

- Problem Solving & Analytical Thinking
 - Teamwork & Collaboration
 - Time Management
 - Communication Skills
 - Leadership & Initiative
 - Editing & Videography and Photography
-

Extracurricular Activities

- Partner at **PS View** Mini Studio
 - Active involvement in photography and videography projects
 - Experience in video editing using CapCut (transitions, effects, music sync, text animation)
-

Additional Information

- **Interests:** Software Development, Mobile Apps, Photography, Videography
 - **Availability:** Open for internships and project-based opportunities
-
